## Food Bank Donations

Yesterday, our Community Ambassadors, Janis and Chantelle, visited Skelmersdale food bank to deliver all your kind donations from the Harvest Festival. In total (excluding toiletries) the donations weighted in at 92 kg. Janis and Chantelle were given a tour of the food bank and will be sharing what they found out at our next pupil voice assembly. The food bank staff wanted to us to pass on their appreciation to everyone who donated.

## Pupil Parliament

Yesterday, Paulo and Attila travelled to West Lancs College to represent Little Digmoor at the Skelmersdale Pupil Parliament. This is where children from all over the town meet to debate and discuss relevant topics, as well as learning how government works. Gary Hart, the Senior Education and Engagement Officer at UK Parliament gave a talk about how parliament works and took questions from the children. The children learnt about how MPs are voted in and what happens in the House of Commons and House of Lords. The children also learned about how debates take place in both Houses and were able to try debating out for themselves. Next half term Paulo and Attila will be taking part in a debate to be held at Bishop Martin Primary School. Our Pupil Parliament representatives will be talking to the children about what they have learned, in assembly next week.

# Halloween Party

## Monday 31<sup>st</sup> October

**Key Stage 1: 1:30 pm - 4.00 pm**  
**Key Stage 2: 4.15 pm - 5.30 pm**

Tickets available from the office from Monday  
priced £2.50 including refreshments.

### Communication Ambassadors

Well done to Dia and Kenzie who have been appointed as our Communication Ambassadors. Dia and Kenzie will be reporting on events in and around school and taking photos so you can all see what has been going on. They began today by taking the photo's on the next page at assembly.

## Year 5 Classroom

This week we are giving you a peak inside our new Year 5 Classroom, home to Badgers Class taught by Mr Jackson. You will remember that our Year 5 and 6 class used to be taught together, but last Spring we decided that the quality of teaching and learning would be improved if all the classes in Key Stage 2 (Years 3-6) were taught in single year groups. Over the summer holidays we took out our old ICT suite (all classes have access to class sets of ipads and laptops to use in class now so it wasn't needed), relocated our library and refurbished the classroom. We are still waiting for some storage units to arrive, but thought you would like to see our brand new classroom.

## This week's Superstars!

### Learners of the week

These children have produced fantastic work in class this week.  
Isaac, Neegan, Diana, Tosia, Esme Smith, Dennys, Nicole, Kenzie

### Citizens of the week
