## Weekly Bulletin – 25<sup>th</sup> May 2023

### Learning about China

School has been very busy this week. On Wednesday, we had visitors from the Confucius Institute at Edge Hill. The institute promotes awareness of the Chinese culture and teachers worked throughout the day with Key Stage 2. The children learned about what school is like in China, had a go at some Mandarin lessons and learned to tie Chinese knots and play Chinese games. The children really enjoyed the day and learned a great deal about the Chinese Culture.

### Coronation Garden

As part of the Coronation celebrations, the King sent out seeds to all schools. Year 1 and 2 decided to use theirs to start of a garden at the front of school to commemorate the Coronation. The children have designed the garden themselves and are working hard to turn a lifeless corner of school into a beautiful area for people to stop and enjoy or reflect. A special thank you to Mrs Dixon for all her hard work on this project.
